

IN THE CASE OF AN EMERGENCY

IN THE CASE OF AN INJURY:

Report to the staff member on duty and listen to their direction

- First Aid Kit is located at behind the desk
 - Fully stocked (band-aids, gauze, antibacterial ointment, tensor wraps, latex gloves, etc.)
 - A Yellow splint is above the defibrillator
 - Spinal board is in the storage room (by the tables and ladders)
 - If not, there are two in the Therapy Room
 - Ice machine is in the Therapy Room
- Defibrillator is located beside the desk on the wall
- If necessary, everyone will be evacuated to the lobby

WHEN THE DOME IS UP:

- Emergency exit door is the main wheelchair door (PAL) located in front of the gates

IN THE CASE OF A POWER OUTAGE:

Listen to the direction of the staff member on duty

- Everyone will be evacuated to the lobby until the problem is solved

IN THE CASE OF A FIRE:

Listen to the direction of the staff member on duty

- SAFE AREA is Parking Lot 12 which is the lot in front of the SA Sports Facility

IN THE CASE OF LIGHTNING:

Listen to the direction of the staff member on duty

- If it takes less than **30** seconds to hear thunder after seeing the flash, **lightning** is near enough to pose a threat; after the storm ends, **wait 30 minutes** before resuming outdoor activities.
