Practice Commitment

- Aim to hold at least one practice per week to build skills and teamwork

ENLL Philosophy

Our #1 Priority: Creating Ball Fans in a Safe and Fun Environment Fair Play is Fundamental

- Every player deserves the chance to grow and enjoy the game.
- On a 12-player team, each player should have the opportunity to play:
 - 6 infield positions
 - 3 outfield positions
 - 3 bench slots
- Over the season, ensure each player's innings reflect this rotation.

No player should play the same position more than 2x per game

ENLL Philosophy

Batting Order & Playing Time

- Rotate the batting order regularly so every player experiences different spots in the lineup.
- Prioritize development: success comes from growing all players, not just relying on your strongest.

Safety & Common Sense

- Always prioritize player safety.
- Avoid using safety as a reason to consistently keep top players in key roles.
